Solus Freestanding Bath

"We moved in to our 'forever home' and we wanted to add a new bathroom that would look good for years. I had Posh in my bathroom growing up so I knew it was made to last. For us, the bathroom is a busy place so we need it to keep up with our family day in, day out."

Canterbury

Canterbury combines the best of the old with the new. These classically designed bathroom pieces make it easy to achieve a heritage bathroom look while still offering all the quality and efficiency of modern bathroom products. Build on the history of your home with Canterbury.

“This is our first renovation project together. It’s a gorgeous little single fronted terrace with a lots of original heritage elements. We wanted to create a bathroom in keeping with the classic influences. It will eventually be a rental property, so we went with products that will be reliable for years.”
