SIGMA70

FLOATING DESIGN MINIMALIST AESTHETIC

DESIGN
MEETS
FUNCTION

A sleek, frameless design, convex surface, and slimline structure combine to create the floating illusion of this innovative flush button.

SIGMA70

THE DESIGNER TOUCH

The Geberit Sigma70 flush button range feature an innovative design with precision mechanics and architecturally inspired colours and materials.

Floating and minimalist. Characterised by its minimalist, floating design and the highest aesthetic standards. The two buttons are precisely coordinated for a homogenous panel surface that looks like it has been made from a single piece.
