

Glacier

ACRYLIC CHANNEL
DRAIN SHOWERS

THE SYSTEM

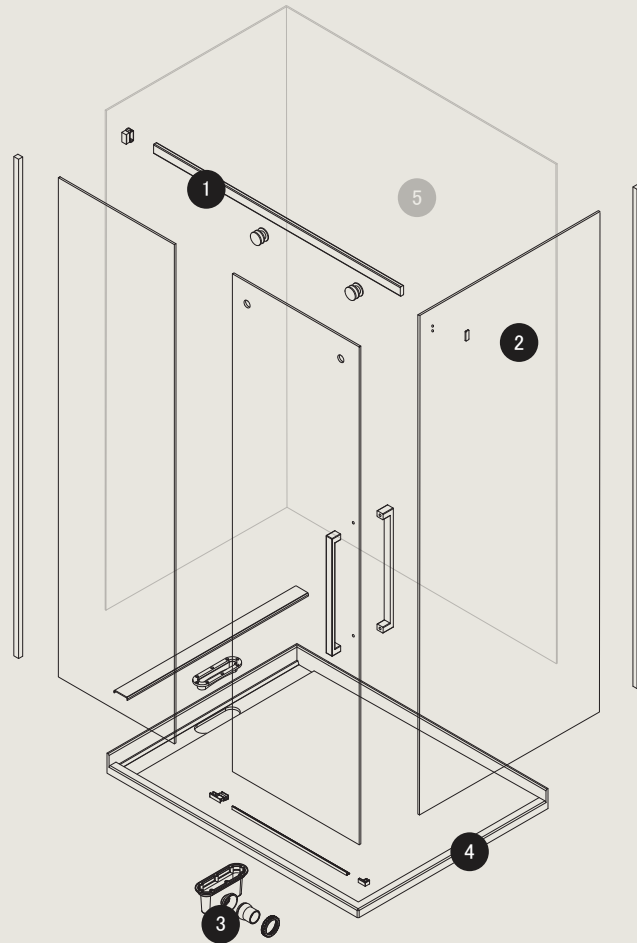

Simplicity and uncompromising function make Glacier an unrivalled choice.

Featuring an ultra-low channel drain shower tray, premium screens & hardware, and a rock-solid warranty, Glacier is the smart choice for your new shower.

Glacier 2 Wall 1200x900 Sliding LH Drain – Ellure Wall Package shown

SYSTEM OVERVIEW

- 1 Market-leading hardware
- 2 Premium screens – supplied @ 2120mm from tray
- 3 EasyClean Waste & stainless steel channel drain cover
- 4 Bulletproof fibreglass tray with integral channel drain
- 5 Optional Extra: Shower Wall Lining (several options available)

Featuring a unmatched 15 year warranty, Glacier is designed & built to perform. On top of this, Glacier offers a best-in-class screen height and premium hardware offering.

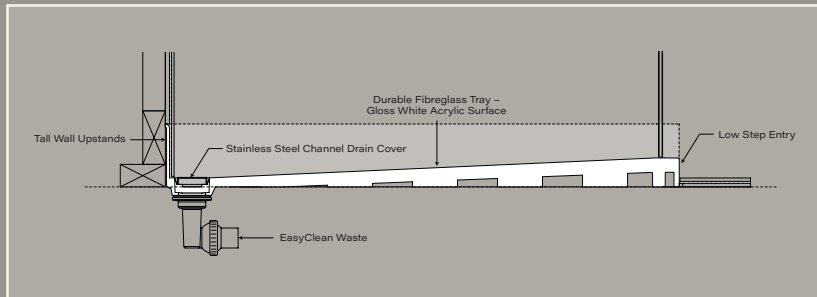

With Glacier you have the option to build your dream shower. So go ahead, let your imagination run free. Shape your bathroom as you like and enjoy your new shower for years to come.

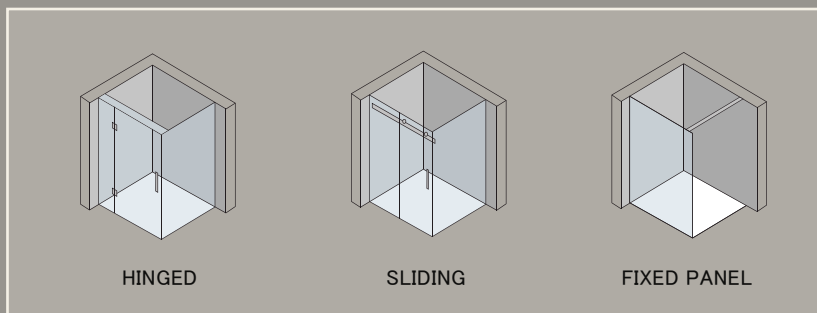

WHY CHOOSE GLACIER?

It all starts with the Glacier shower tray – a durable one-piece fibreglass unit with tall wall upstands and integral channel drain located at side or rear of the shower tray.

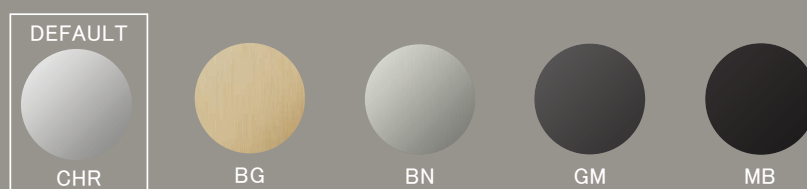

A fast-flow EasyClean Waste is supplied as standard with each Glacier Shower, clearing water at a rapid pace.

The premium Glacier screens are nano-coated with CristalVision treatment system from factory, and are at an elevated height. Choose between Hinged, Sliding or Fixed Panel, all supplied at a generous 2120mm height (from tray).

Glacier hardware is designed for years of effortless use. Featuring stainless steel & aluminium componentry, self-centring hinges and smooth-glide sliding door, you can rely on Glacier to perform.

Note: The standard hardware finish on all Glacier Showers is Chrome, however several hardware upgrades are available as an optional extra.

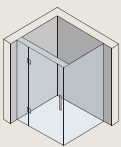

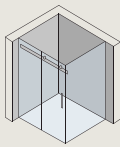

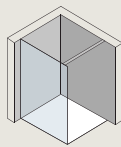

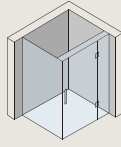

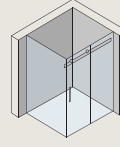

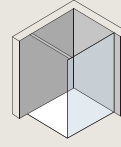

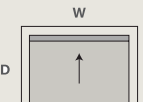

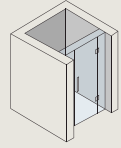

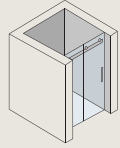

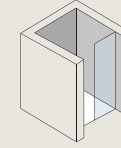

Glacier 3 Wall 1500x900 Hinged Back Drain – Ellure Wall Package shown
