

KADO

Made for every moment.

Volume 52

Kado is made for *every moment.*

Effortless by design, timeless in presence. For over 25 years, Kado has been defining style and transforming bathrooms. Every detail is crafted with meaning. Where statement designs, refined luxuries and thoughtful functionality come together to elevate your everyday rituals.

Kado is made for every moment - whether it's a quiet indulgence, a seamless routine, or a perfect balance of form and function.

Introducing *The Collections*

Lussi

An *elevated* experience.

A luxurious look with a sophisticated feel, Lussi combines diverse shapes, textures, and finishes with soft, gentle contours to suit the most tasteful spaces. Each sculptural piece is thoughtfully crafted to evoke a warm, tactile experience that invites touch. Lussi brings luxury and everlasting elegance to any bathroom.

Aspect

Bold presence, *gentle* refinement.

Striking the perfect balance between bold architectural forms and soft, elegant details, Aspect creates statement pieces that bring impact to any bathroom design. Incorporating diverse materials, refined textures and a considered use of colour, Aspect captures the dynamic interplay of strength and softness, beauty and functionality.

Lux

Modern *minimalism* meets masterful design.

Classic design is elevated through traditional materials and finely crafted details. Clean lines marry with the choice of subtle touches or statement features. Form and function seamlessly blend in timeless staples to suit any interior style. Lux is the epitome of understated contemporary elegance.

Era

Modernised *classics*.

Drawing inspiration from different design eras, each piece combines intricate classical details with modern functionality, resulting in timeless designs that feel new and relevant. Allowing bygone periods to live on in beautiful bathroom sanctuaries, Era offers enduring class and style, perfectly suited to contemporary spaces that honour tradition.

Neue

Timeless *beauty*, reinvigorated.

Neue breathes new life into classic styles, pairing time-honoured details with fresh silhouettes to create designs that feel both familiar and unexpected. Organic lines, crafted curves, and soft edges enhance each piece, while carefully considered details bring past inspirations into a modern context. Neue delivers a winning combination of elegance and timeless appeal to suit any bathroom.

Arc

Natural beauty.

Formed from natural elements and materials, Arc transforms spaces into inviting and personalised sanctuaries. With warming tones and rich textures, its thoughtfully curated material palette offers a beautifully tactile experience. Designed to evoke comfort and serenity, Arc harmoniously blends a mix of natural materials to set the scene for soothing bathroom spaces that feel akin to a long exhale.

Lussi

An elevated experience.

A luxurious look with a sophisticated feel, Lussi combines diverse shapes, textures, and finishes with soft, gentle contours to suit the most tasteful spaces. Each sculptural piece is thoughtfully crafted to evoke a warm, tactile experience that invites touch. Lussi brings luxury and everlasting elegance to any bathroom.
