Powerful performance delivers a cleaner flush every time.

By removing the rim of the bowl, there is now nowhere for germs to hide. And by adding Caroma's flush and flow features we've created a superior flushing performance that delivers a cleaner clean.

Powerful Clean

Cleanflush® rimless design breaks through it all to reduce cleaning

Built for Hygiene

Large drop zone bowl reduces splashing and cleaning

Made to Perform

Slim design, water efficient, built to last

Built for Australian homes

Tested beyond local standards so you can rely on Caroma

Basins

Discover the Caroma Forma® Collection beautifully crafted basins that make a statement, complemented by accessories in chic finishes. Designed for lasting appeal, Caroma Forma® II basins pair seamlessly with the Forma® Cleanflush® toilet range. Choose from three elegant thin-rim variations, each offering multiple tap-hole options, making it simple to find the perfect match for your bathroom layout and personal style.

- Designed and engineered in Australia
- Now available in Matte White (selected basins) and Glossy White
- Crafted from high quality vitreous china that has great durability, sanitary and stain resistant properties featuring Caroma's GermGard® patented technology for superior hygiene
- Available in semi recessed, inset and wall basin styles
- Includes flush fitting white plug and chrome waste slotted overflow
- 20 year warranty
- Basin pop-up plug and waste and bottle traps available in coloured finishes compatible with Caroma's Urbane, Liano and Contura tapware, showers and accessories
- Overflow ring available in matte white, or customise with compatible colours from Caroma's Urbane, Liano and Contura collections

INSET BASINS

Inset basins are partially set into a vanity reducing the appearance of the basin rim without reducing the depth of the bowl.

SEMI RECESSED BASINS

Semi recessed basins partially overhang the vanity allowing you to maximise your basin size on applications with limited vanity space.

WALL BASINS (OR WALL MOUNTED)

Wall basins are installed directly to the wall with no need for an additional vanity.

ABOVE COUNTER BASIN

An above counter basin sits on top of the vanity, creating a raised, sculptural look that adds a modern and stylish focal point to the bathroom.
