Shades and variations

We're proud that each Mizu piece is created using high-quality materials and advanced finishing techniques to ensure durability, consistency, and timeless appeal.

It's important to note that the appearance of coloured finishes can vary slightly, this is completely normal and is influenced by a number of factors:

Product materials,
ABS, brass, stainless steel

Shapes and surfaces
flat, curved or textured

Lighting conditions
warm, cool or natural

Viewing angles
and reflections

Universal Inwall Body

Available on all Mizu Wall Mounted Tapware.

Stress free tapware

The Mizu Universal Inwall Body gives you the freedom to take your time selecting your tapware design and finishes. A separate inwall piece and handle trim kit means you can make your choice when you want, as many times as you want.

Pin or paddle

With one Universal Inwall Body you can choose and swap between Drift's sleek pin lever design, Soothe and Silk's organic paddle styles, or bold and modern Bloc.

Choose without delay

It can be hard to visualise how your tapware will look when your bathroom is still under construction. The Mizu Universal Inwall Body lets you take your time without delaying your project. Simply install, proceed with your build and choose the design and colour of your tapware at a later date.

Evolves with your tastes

Changing your mind has never been so simple. Whether it's halfway through your build or five years down the track, your Mizu tapware can be effortlessly swapped out thanks to the removable trim kit.

Shaped For Every Bathroom

Drift

Modern and playful, the rounded design of the Mizu Drift range makes simplicity the hero. An effortless style you can carry through the entire space, in every home.
