Built for performance. Backed by BWT.

Billi systems use world-leading BWT filtration for reliable, high-quality water and system protection. RFD technology ensures filters are replaced on time helping maintain safe, clean drinking water. NSF tested. WaterMark certified. Built for installs you can trust.

Billi replacement filters come in a range of options designed to reduce:

- ✓ Sediment
- ✓ Chlorine
- ✓ Parasitic Cysts (0.2 micron models)
- ✓ Taste & odour

Delivering cleaner, healthier, better-tasting water.
