Caroma Forma® II Collection 2026

At Caroma, we believe bathrooms are more than just functional spaces – they're integral parts of our daily lives. For over 80 years, we have dedicated ourselves to creating purpose-built products and solutions that are designed for living and built for life.

As leaders in the industry, we put people at the heart of everything we do. The Caroma team is committed to developing inspiring and innovating products for all needs, using our knowledge and expertise to ensure every detail enhances the way we all live.

Our products have been designed and stringently tested at our dedicated Design & Innovation Centre in Sydney.

Enjoy peace of mind with extensive warranties across Caroma Collections, with up to 20 years warranty.

CAROMA
CLEANFLUSH

Our patented rimless toilet technology delivers a whole bowl clean with no splashback.

CAROMA
GERMGARD

A unique antimicrobial formula that kills harmful bacteria, preventing the spread of nasty germs.

CAROMA
UNI-ORBITAL CONNECTOR

Our patented connectors overcome installation issues by allowing for a flexible 50mm radius for connection.

CAROMA
ADJUSTABLE FLUSHPIPE

Quickly realign the water inlet of your Invisi II® in-wall cistern without damaging your wall.

Basins

Discover the Caroma Forma® II Collection beautifully crafted basins that make a statement, complemented by accessories in chic finishes. Designed for lasting appeal, Caroma Forma® II basins pair seamlessly with the Forma® II Cleanflush® toilet range. Choose from three elegant thin-rim variations, each offering multiple tap-hole options, making it simple to find the perfect match for your bathroom layout and personal style.

- Designed and engineered in Australia
- Now available in Matte White (selected basins) and Gloss White
- Crafted from high quality vitreous china that has great durability, sanitary and stain resistant properties, featuring Caroma's GermGard® patented technology for superior hygiene
- Available in above counter, inset and wall basin styles
- Includes flush fitting white plug and chrome waste slotted overflow
- Basin pop-up plug and waste and bottle traps available in coloured finishes compatible with Caroma's Urbane, Liano and Contura tapware, showers and accessories
- Overflow ring available in matte white, or customise with compatible colours from Caroma's Urbane, Liano and Contura collections

INSET BASINS

Inset basins are partially set into a vanity reducing the appearance of the basin rim without reducing the depth of the bowl.

WALL BASINS (OR WALL MOUNTED)

Wall basins are installed directly to the wall with no need for an additional vanity.

ABOVE COUNTER BASIN

An above counter basin sits on top of the vanity, creating a raised, sculptural look that adds a modern and stylish focal point to the bathroom.
