Reece Product Quality Guarantee

You have purchased a quality product from Reece Australia Pty Ltd ABN 84 004 097 090 ("Reece").

The benefits given by this warranty are in addition to the other rights and remedies that consumers may have under the Australian Consumer Law and any other applicable laws.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Warranty coverage

This warranty applies to products supplied by Reece and covers faults in construction, material and assembly.

Products or parts of the product found upon inspection by an authorised Reece representative to be defective in construction, material or assembly, will be repaired or exchanged with an equivalent product free of charge within the warranty period. Removed items become Reece's property.

All replacement products or parts will be available for collection without charge to the customer at the nearest Reece branch to the customer's location, or elsewhere as agreed.

This warranty applies to the original purchaser of the product. It may not be extended, assigned or transferred to another person.

Warranty Period

The warranty commences from the date the product is purchased or for new builds on the practical completion date as shown on the handover documentation for the relevant period set out in the Schedule. Installation is deemed acceptance of the product.

Where under this warranty we repair or replace a product or part, the warranty applicable to the repaired or replaced product runs from the date of original purchase. Replacement of a product or part does not restart the warranty period.
