BATHROOM FURNITURE

# **ISSY**

## **A NEW BENCHMARK IN AUSTRALIAN DESIGN**

ISSY bathroom furniture is a highly expressive collection that creates unlimited possibilities through customised production. ISSY brings together state of the art materials and striking finishes to deliver a series of high-end designs with complete flexibility for personalisation.

# ISSY GLIDE

## BY OPEN SKY DESIGN

Geoff Wormald is Principle Designer at Open Sky Design. With a natural curiosity for new materials and technology, Geoff's innovative design aesthetic is uniquely influenced by archetypes and the natural environment. With a background in architecture, furniture design and fine arts, Geoff's individual style is rapidly changing the face of Australian bathrooms.

# THE ULTIMATE STATEMENT PIECE.

With its organically inspired basin form and clean understated lines, the Glide vanity opens up new possibilities in design. Glide offers the flexibility to customise your length and colour, giving you a blank canvas around which to create the ultimate bathroom. Enhancing the minimalist aesthetic, the handleless design comes standard with German engineered push to open drawers.

# ISSY ADORN

**BY ZUSTER**

Adorn reimagines what personalisation is for ISSY by Zuster bathroom furniture. Discover understated elegance with solid American Oak beaded frame, bullnosed Corian detailing, and sleek undercounter basin installation. Transform your vanity into something completely unique with a collection of ornate handles, each carefully designed and crafted with distinct character to deliver a highly personalised experience.

# ENDLESS POSSIBILITIES.

Inspired by fashion and jewellery, Adorn draws on elements such as ruffled fabric details, covered buttons and delicate brooches and transfers them into furniture design. This process results in bathroom pieces that not only serve their functional purpose but also add a touch of elegance reminiscent of jewellery's allure.

# UNIQUE TO YOU.

Adorn is about taking a beautifully crafted piece of high quality furniture and adorning it with a handle that expresses your personal and unique style. Each solid American Oak handle tells a different story, whether you're looking to enhance elegance, make a dramatic statement, or add a sense of subtle grace. Adorn allows you to create a bespoke piece that embodies and reflects your own design aesthetic.

# ISSY CLOUD

Blurring the line between bespoke designer furniture and bathroom vanity design, Cloud represents the best of Zuster and Australian design in one collection. Inspired by the feathers of a bird in full flight, Cloud's intricate timber beaded pattern is achieved through a combination of innovation, hand-crafted detailing and a precise mix of texture and softness. From the sweeping curves of the solid American Oak legs and frame to the rounded edge of the Corian benchtop, every feature of Cloud celebrates curves.

# ELEVATED ELEGANCE

A bathroom furniture collection that perfectly balances elegance and functionality, Cloud I is a beautiful entry point into the range. The collection's unique depth offers complete flexibility for personalisation with tapware and basin pairings, while the all-door configuration maximises storage potential. With the option to have Cloud on elegant legs or completely elevated, the possibilities are endless through Zuster's customised production.

## **Z8 BUTTERFLY**

The perfect furniture piece for beauty and personal grooming, the Z8 Butterfly takes inspiration from the pure, indulgent luxury of high-end hotel bathrooms. Bringing spa-style chic into the home, Z8 Butterfly offers the user a dream list of bathroom luxuries that include intimate bespoke elements designed especially for you. Ultimate comfort and convenience is conjured through wonderfully intuitive features and high quality finishes.

# DEVOTED TO BEAUTY AND STYLE.

Named for its signature Zuster-designed “butterfly” handle, Z8 Butterfly pays homage to craftsmanship and bespoke design with a series of cleverly integrated luxuries. Winged mirrors open out to give you a round-vision view of your hair and make-up. A dresser bench allows you to perform your personal beauty ritual at your bathroom vanity. Concealed within the adjoining tall boy is an integrated laundry basket, and a set of secret make-up drawers that slide open at the touch of a finger.
