

## Model RBA8851-156

### Materials & Features

External surface is satin finish. Internal bowl is matt finish for hygiene, easy cleaning and scale resistance. The integrated seat is bright polished for hygiene and comfort. Pre-drilled to suit security toilet seat. Laser-cut, flush-fitting access panels on both sides are fixed with security screws. Suitable for S-Trap installations where waste connection is through the floor. Also available in coloured EnviroGlaze® [e.g. white] finish on external surfaces upon request.
