Rapid Installation System
DR-brass

Installation instructions

Installation Instructions

Flush piping system prior and after installation of fitting thoroughly!

This product must be installed in conformance with local codes e.g. AS/NZS 3500 series of standard!

Note:

When installing concealed mixer body, please note it must be mounted onto timber or solid walls using appropriate reinforcement to ensure sufficient strength.

Open cold and hot water supply and check connections for leakage!

Care

For directions on the care of this fitting, please refer to the accompanying care instructions.
