### **CLEANING RECOMMENDATIONS**

This product should not be cleaned with abrasive materials eg. steel wool/scourers. Do not use any corrosive or abrasive cleaning agents containing acids or scouring agents. Bleaches can also discolour products and therefore should not be used. Damage caused by any improper treatment is not covered by the product warranty- refer to Warranty Conditions

## **Nobili Up Shower Mixer Chrome**

### **INSTALLATION INSTRUCTIONS**

#### **Important Note**

Mixer must be installed to requirements of AZ/NZS 3500 by a qualified plumber. Your mixer comes to you already factory assembled and tested. We do not recommend the dismantling of any internal part of the mixer. The mixers are factory tested and sealed so as to give the best performance.
