1.15.2

Opal 920

Ceramic Wall Basin

Nominal Size: 920mm x 450mm

One taphole version shown

Right hand shelf pictured

The Opal 920 wall basin is part of an extensive range of co-ordinated basins that allows continuity of design throughout the project where basins of matching design for different applications are required. The design offers smooth rounded contours and clean lines incorporating a built in shelf space alleviating the need for separate shelving. Available with optional shroud, this basin is suitable for domestic, commercial and accessible applications complying to AS 1428.1-2009 Amd. 1.* using standard Caroma plastic traps.

Tap Holes: Basin available in: **Left Hand Shelf**, no tapholes Code No.632400; one taphole – centre option Code No.632410; three tapholes Code No.632430. **Right Hand Shelf**, no tapholes Code No.632300; one taphole – centre option Code No.632310; three tapholes Code No.632330.

Waste Outlet: The basin has been designed for the Caroma waste outlet suitable for a 40mm trap connection. Chrome flush fitting waste and white plug supplied. Alternative waste options are available — Plug & anti-vandal flush fitting chrome waste Code No.687141C; Plug & flush fitting chrome waste Code No.687327C; Chrome pop-up plug and waste Code No.687329C; 40mm Modina bottle trap Code No.687290C.

Shroud: **Optional Opal Shroud**, Code No.632601 completely conceals P-trap waste pipe fittings, concealed fixing bracket supplied. 40mm Caroma short plastic P-trap is required for correct installation Code No.102115.
Note: It is essential for the installation of the shroud to the basin that clearance is provided for the shroud in the plumbing setout from water inlet pipes and connections.

Bowl Capacity: 9.5 litres.

Overflow: Overflow not available.

Fixing: **D.200 Basin Fixing Kit** – 2 sets supplied. Bolts directly to the finished wall.

Colours: White only.

Dimensions: All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.

*Basin does not comply to NZS4121.

**Basin not designed to be installed against a side wall.
