

Sanifos® 1000 ZFS Single

The Sanifos 1000 ZFS Single is a high lift heavy duty single motor pump station designed for large-medium residential or commercial where higher lift is required. The pump station is an effective solution where gravity reliant sewerage systems are not possible due to limited site access and constraints such as the property sloping away from the sewer.

WHY CHOOSE THIS PRODUCT?

Ideal for larger single dwelling residential or commercial applications

Heavy duty pump for higher lift requirements

Compact space saving tank design

Engineered to Australian Standards AS1546

Intelligent controller with high level alarm

Choice of optional inlet connection points

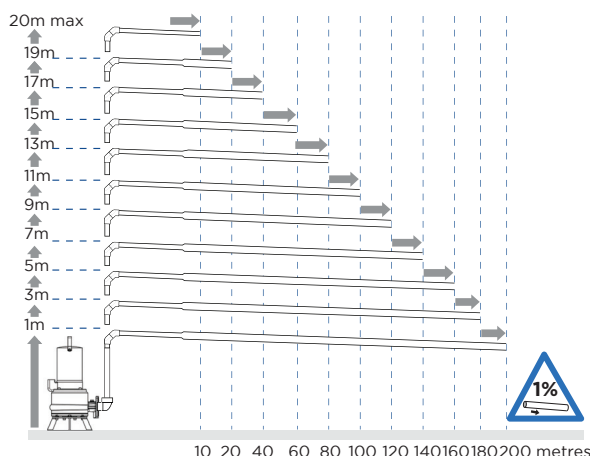

IP68 rated

Complete package ready to install. Includes pump, internal pipework, non return valve & ball valve supplied

Energy saving and reduced motor wear thanks to large working volume

VERTICAL/HORIZONTAL PERFORMANCE

Increase size of horizontal run by one pipe size after 5m. All horizontal pipework requires a minimum of 1:100 fall.

APPLICATIONS

TOILET

HAND
BASIN

BATH

SHOWER

WASHING
MACHINE

DISH
WASHER

KITCHEN
SINK
