## CLEANING INSTRUCTIONS

You have selected a Geberit product with a high-grade surface. Please follow the cleaning instructions so that your Geberit product will give you many years of pleasure.

Never use aggressive cleaners that contain chlorine, are acidic, abrasive or corrosive.
Only use water and a mild cleaning agent.

1. Clean the unit with a soft cloth soaked in water.
2. Dry with a soft cloth.

Damage caused by any improper treatment is not covered by the product warranty. Refer to warranty Conditions.

**Disclaimer:** Products in this specification manual must by regulation be installed by licensed and registered trade people. The manufacturer/distributor reserves the right to vary specifications or delete models from their range without prior notification. Dimensions are nominal measurements only. Dimensions and set-outs listed are correct at time of publication however the manufacturer/distributor takes no responsibility for printing errors.
