

A woman with long dark hair, seen from the back, is wrapped in a vibrant red towel. She stands in a shower stall with white square tiles. A sleek, modern shower channel is installed in the wall, with a shower head above it and a faucet to the left. The scene is brightly lit, creating a clean and modern atmosphere.

SHOWER CHANNELS

Swan

This exclusive range of shower channels in both 100mm and 65mm width combines function with uncomplicated design.

The Veitch shower channel has both a stainless steel channel and a stainless steel grate.

Available in both Satin and Chrome finish the grate features a finger hole at one end to enable removal for easy cleaning.

Fitzroy

With a range of styles, the shower channel and grate can be configured to compliment all bathroom situations.

The channel can be made any length to 2400mm to span any shower.

Tiling upstands for improved waterproofing can be added when the channel is positioned against a wall.

Derwent

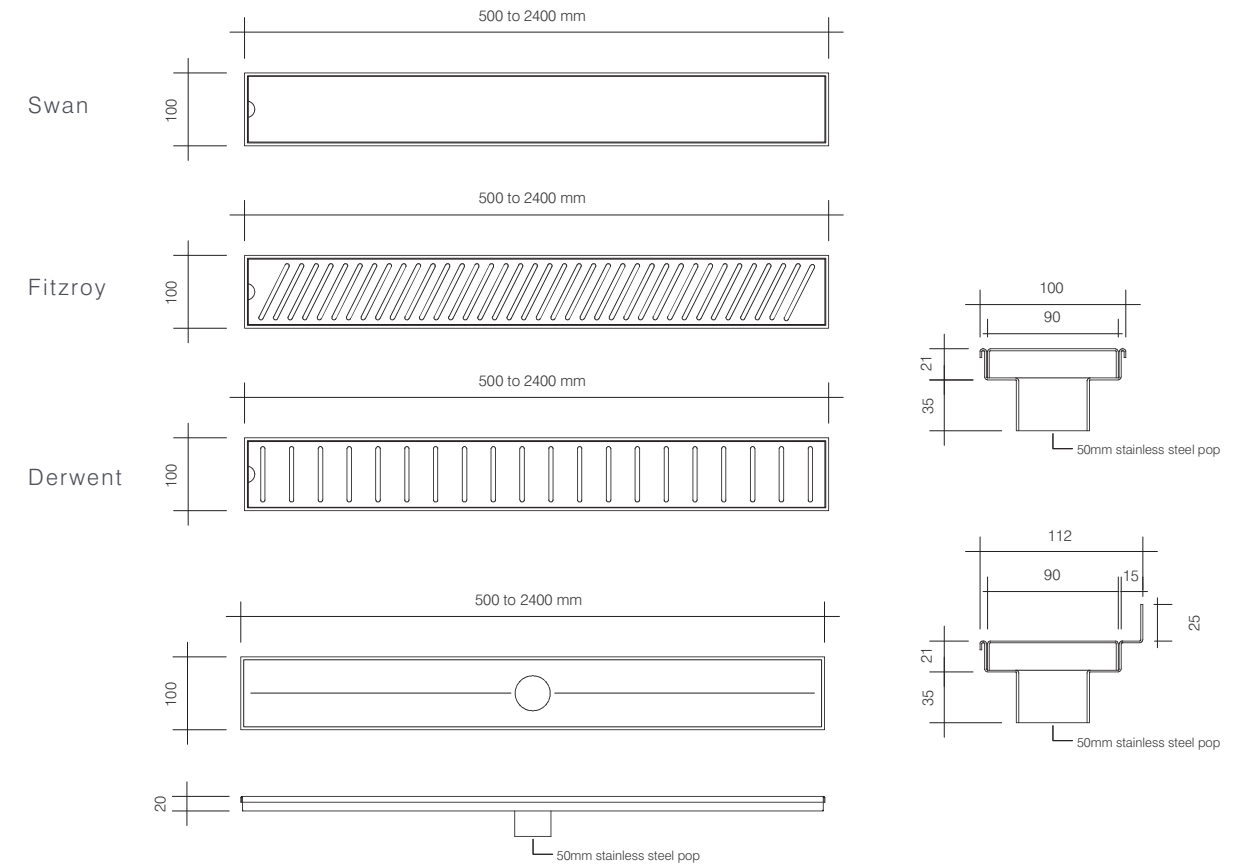

The 50mm outlet can be moved anywhere along the length of the channel to align with existing plumbing.

Quick turn-around models are available in 800, 900, 1200, 1500mm lengths with a centre waste outlet and tiling upstands.

Veitch Stainless Steel Channels are Made in Australia.
