CLEANING RECOMMENDATIONS

This bathroom product should not be cleaned with abrasive materials eg. steel wool/scourers. Do not use any corrosive or abrasive cleaning agents containing acids or scouring agents. Bleaches can also discolour products and therefore should not be used. Damage caused by any improper treatment is not covered by the product warranty- refer to Warranty Conditions on the last page.

Disclaimer: Products in this specification manual must by regulation be installed by licensed and registered trade people. The manufacturer/distributor reserves the right to vary specifications or delete models from their range without prior notification. Dimensions and set-outs listed are correct at time of publication however the manufacturer/distributor takes no responsibility for printing errors.

SOLUS SHOWER MIXER WITH DIVERTER

INSTALLATION INSTRUCTIONS

Note:

Equal pressure for hot and cold water supply is required for this single lever mixer. This product may not be suitable where hot water pressure is insufficient.

Note:

Mixer must be installed by a qualified plumber.

Important

Your mixer comes to you already factory assembled and tested. We do not recommend the dismantling of any internal part of the mixer. The mixers are factory tested and sealed so as to give the best performance.

1. Please flush out new pipe work prior to connecting the new mixer.
2. In some areas where the incoming water exceeds 500kpa, an approved pressure limiting device must be installed. Equal pressure for hot and cold water supply is required for this single lever mixer.
3. Mixers are recommended for use on mains pressure and instantaneous systems only.
4. When installing the mixer make sure that the cap and handle (1 & 3) are removed with the wall plate (8).
5. In a typical installation, the mixer is mounted on a timber/metal noggin and secured with saddles.

6. Note: Mixer must be installed with plunger assembly at top (as pictured).
7. Connect mixer to hot and cold water supply.
8. Connect to bath and shower outlets.
9. Pressure check all connections. Leaking joints are not covered by the warranty.
10. During construction protect the exposed finished surface by using the plastic cover provided.
11. When ready for finishing, remove the plastic cover and reassemble handle and cap (1 & 3).

SERVICING-REPLACEMENT OF CARTRIDGE

1. Call the plumber, preferably the one that installed the mixer (most problems are caused by supply lines not being cleaned out properly prior to mixer installation). Remove the indicator cap (1) and unscrew the locking screw (2).
2. Lift off lever (3) and remove dome cap and locking nut (4 & 5).
3. Lift out cartridge (6) and replace with new, making sure the two lugs on bottom of the cartridge sit properly into the allocated holes at the base of the body (10).

EXPLODED VIEW

Item	Description	Spare Part Code
1	Satin acrylic indicator cap	192031
2	Screw	
3	Lever	192039
	150mm Lever	192030

SOLUS SHOWER MIXER WITH DIVERTER

REECE PRODUCT QUALITY GUARANTEE

You have purchased a quality product from Reece Pty Ltd ABN 84 004 097 090 ("Reece"). This product is covered by a 7 year replacement product warranty and a 12 month warranty over spare parts and labour.

7 YEAR WARRANTY – DOMESTIC USE

This warranty covers faults in the product construction, material and assembly. Products which are within 7 years from the date of purchase, found upon inspection by an authorised Reece representative, to be defective in construction, material or assembly, will be repaired or exchanged with an equivalent product free of charge. Replaced items become Reece's property. This warranty also covers any spare parts included under "Manufacturer's Provisions" below.

All replacement products will be available for collection without charge to the customer at the nearest Reece branch to the customer's location, or elsewhere as agreed between the customer and Reece.

Labour and Spare Parts

The labour for the replacement of products and spare parts to which this warranty applies will be supplied by Reece or relevant supplier using licensed plumbers engaged by Reece or relevant supplier within 1 year from the date of purchase.

Spare parts other than those listed in the Manufacturer's Provisions above, which are within 1 year from the date of purchase found upon inspection by an authorised Reece representative to be defective in construction, material or assembly, will be replaced free of charge.

Warranty Conditions

This warranty will apply only under all of the following conditions:

- The item has been installed by a licensed plumber
- The item has been installed for and subjected to domestic residential use only
- Failure is due to a fault in the manufacture of the product
- Proof of purchase (including the date of purchase) is provided
- The installation of the product is in accordance with the instructions provided

This warranty does not cover products purchased as an ex-display without being fully checked and tested for sale by the manufacturer.

This warranty does not include faults caused by:

- Unsuitable or improper use
- Incorrect installation or installation not in accordance with the instructions provided
- Installation or part installation by the purchaser or any person other than a LICENSED PLUMBER
- Normal wear and tear
- Inadequate or complete lack of maintenance
- Chemical, electrochemical or electrical influences
- Harsh detergents or abrasive cleaners used on product finishes

1 YEAR WARRANTY – COMMERCIAL USE

'Commercial' use is all use other than for normal domestic residential purposes, including use in non-business places as in public buildings, schools, sports centres and in establishments that contain private bathrooms with high frequency of use by many individuals, such as hotels, motels, retirement villages and hospitals.

The Commercial warranty covers this product against manufacturing faults in the construction, material and assembly of both the finished products and any spare parts for a period of 1 year from the date of purchase. Products and spare parts which are found upon inspection by an authorised Reece representative to be defective in construction, material or assembly will be repaired or exchanged free of charge. Replaced items become Reece's property. The labour for the replacement of products and spare parts to which this warranty applies will be supplied by Reece or relevant supplier using licensed plumbers engaged by Reece or relevant supplier. The Warranty Conditions and exclusions which apply to the domestic use warranty also apply to this commercial warranty.

EXCLUSIONS

To the fullest extent permitted by law, Reece excludes all liability for damage or injury to any person, damage to any property, and any indirect consequential or other loss or damage.

CLAIM PROCEDURE

For all warranty queries customers are to contact the branch where the product was purchased. These details can be found on your purchase invoice.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Don't risk it, use a licensed plumber.™
