“We moved in to our ‘forever home’ and we wanted to add a new bathroom that would look good for years. I had Posh in my bathroom growing up so I knew it was made to last. For us, the bathroom is a busy place so we need it to keep up with our family day in, day out.”

“I recently downsized from a large family home to a smaller townhouse. With my grand daughter staying over often, I wanted to give the bathroom a refresh and so it felt warm and welcoming. Bristol was an easy choice. It's affordable and I know I'm getting quality.”
