Kaden Cassette

Kaden Cassette Air Conditioner.

Simple climate control makes Kaden Cassettes the ideal heating and cooling solution for larger homes and office spaces.

Combining innovative features with intelligent design, Kaden's discreet cassette range gives you precise control of your environment. Designed for Australian conditions, they deliver enduring performance and pure climate comfort – all backed with a full 5-year warranty.

Every Kaden system comes with a full 5-year warranty.

See back page for further details.

Features at a glance

Comfort

Anti-cold function

Prevents cool air leaving the system during heating mode start to maximise comfort.

Auto swing louvres

Louvres swing to evenly distribute air throughout the entire room.

Weekly timer

Set your unit to turn on and off at specific times for each day of the week.

Turbo mode

Provides a boost in cooling or heating to get to desired temperature quickly.

Energy Saving

R32 refrigerant

The new standard in refrigerant, R32, is more energy efficient and less harmful to the planet.

DR function

Allows energy providers to manage power consumption during times of high demand.

Variable fan speeds

Choose from 6 fan speeds to maximise your comfort.

Health

Auto clean function

Prevent growth of harmful bacteria by eliminating moisture inside the unit.

Gold fin condenser

Rust-protective gold nano-coating that resists corrosion, prevents bacteria and improves heat transfers.

Independent dehumidification

Allows for better humidity control and indoor air quality.

Reliability

Refrigerant leak alert

Automatically detects refrigerant leaks, heightening safety and allowing rapid repair.

Easy access

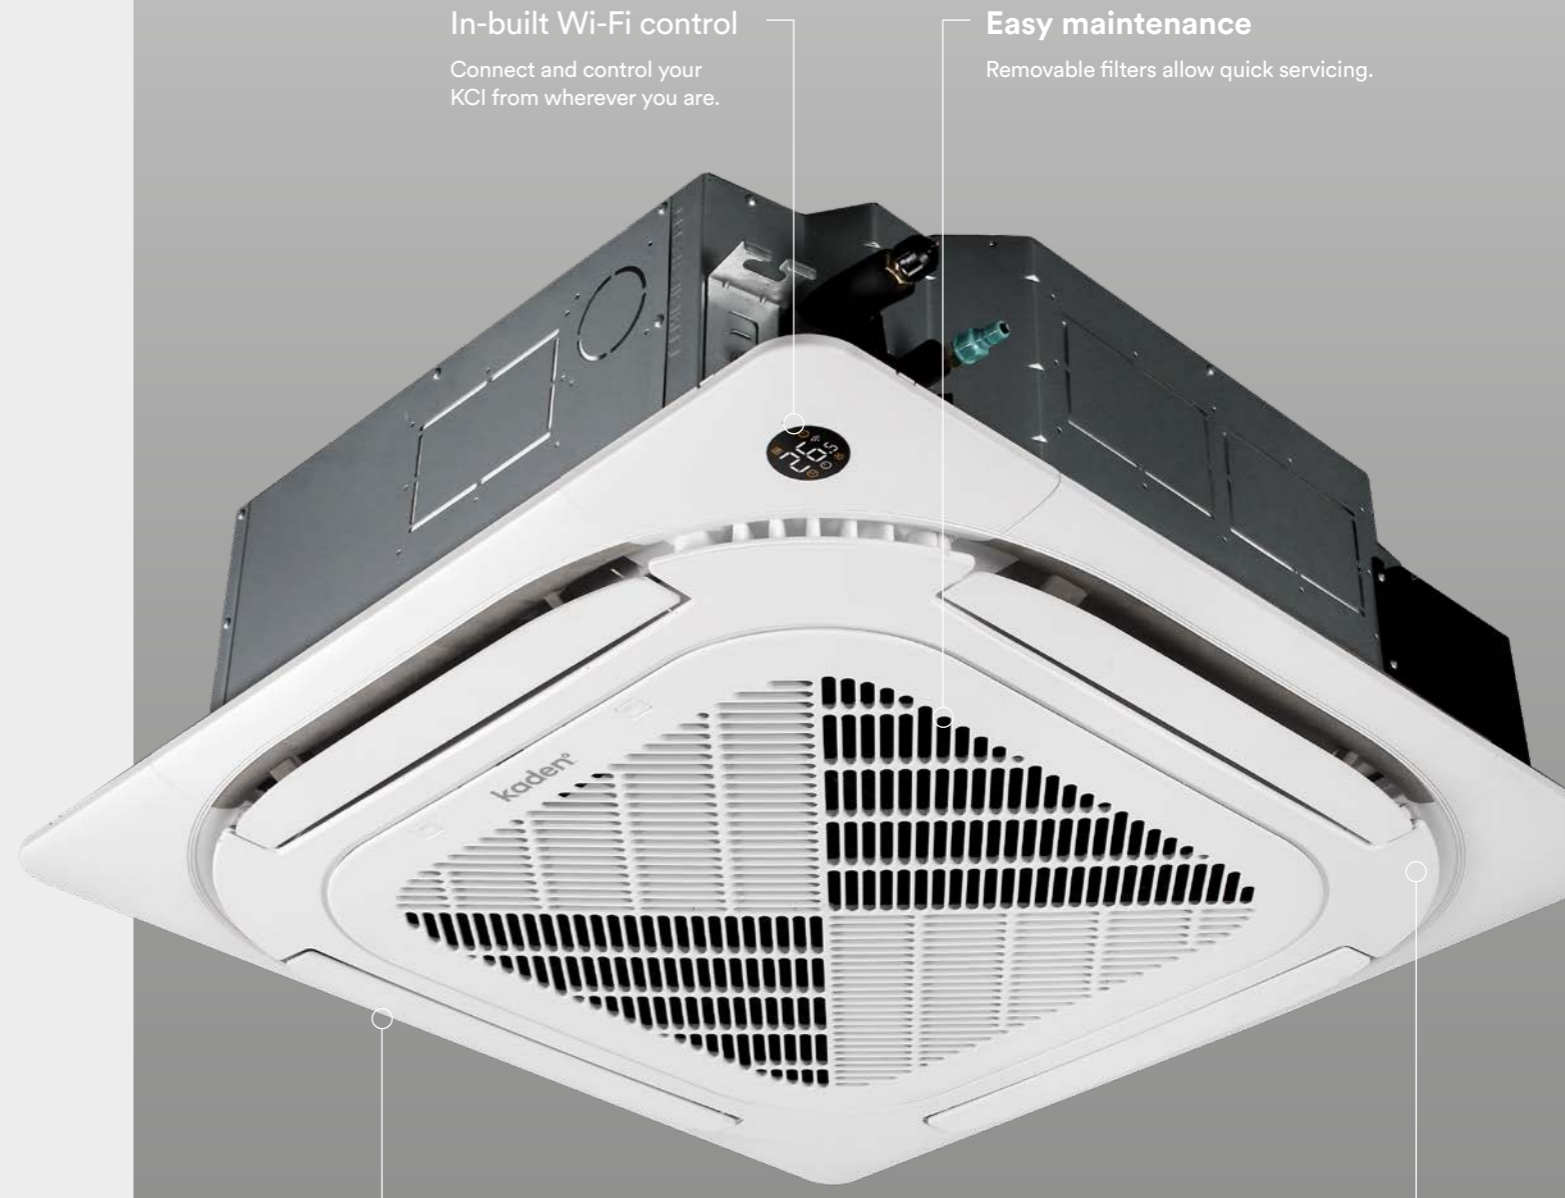

Cleaning and maintenance made easy with access to filter and internals of the unit.

Built-in drain pump

Offering a built-in drain pump for more flexibility with installation.

Auto restart function

Automatically resumes operation in the same mode after a power failure.

In-built Wi-Fi control

Connect and control your KCI from wherever you are.

Easy maintenance

Removable filters allow quick servicing.

Low noise

Optimised air vent system uses a 3D spiral fan design to reduce operational noise.

360° technology

The advanced grille design optimises airflow for fast and even movement of air.

Kaden Cassette

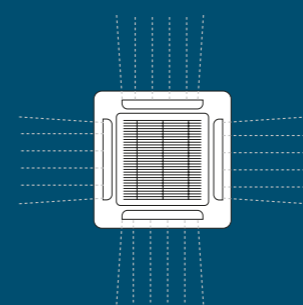

Kaden 360° Technology.

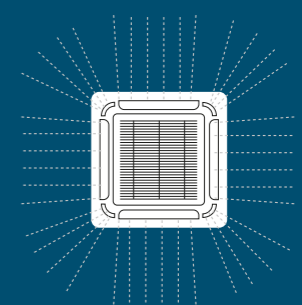

Efficiently delivering 360° airflow across large rooms, Kaden Cassettes are ideal for both commercial and residential spaces.

The advanced grille design optimises airflow for fast, even movement of air. This ensures consistent, balanced room temperature with no cold spots or hot spots. Matched with whisper quiet operation, Kaden Cassettes are ideal for open plan living areas, offices, event spaces and hospitality environments.

Conventional cassette airflow

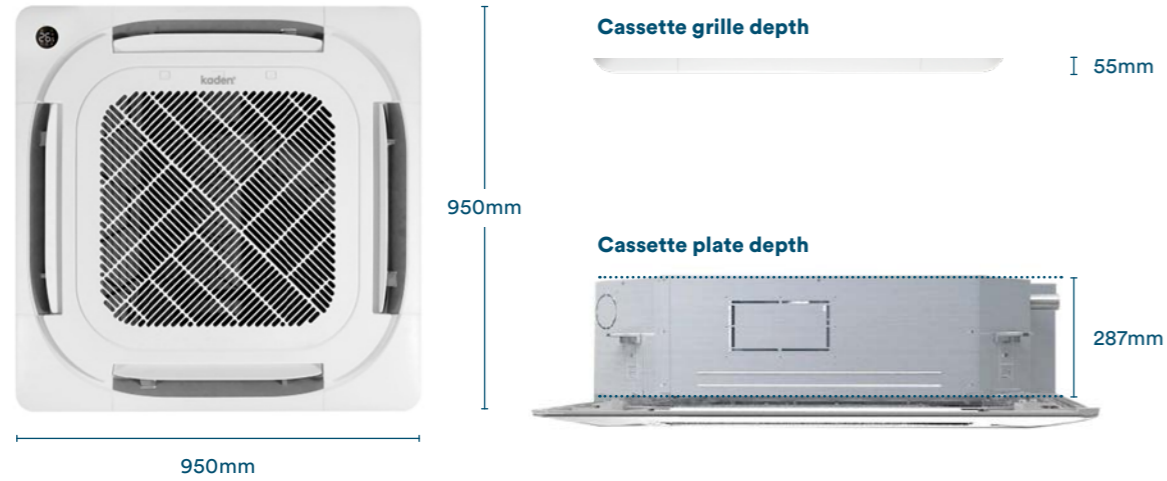

Kaden 360° airflow

Simple to install.

Ease of installation is a hallmark of all Kaden units. Our cassettes are designed to make the installer's job simple and straightforward. Available in 10.5kW, 12.5kW and 14kW sized units to suit most applications.

Cassette grille

10.5kW–14kW
