Caroma® Cube

Vitreous China 4.5/3 litre Dual Flush Wall Faced Box Rim Close-Coupled Toilet Suite

A minimalist close coupled 4.5/3 litre dual flush toilet suite with simple lines the fully integrated wall faced toilet suite featuring smooth geometric surfaces and concealed plumbing fittings provides for optimum appearance and ease of cleaning. A matching soft close seat is provided as standard. The pan connection system includes the patented Caroma Uni-Orbital® connector for increased installation flexibility. The Caroma Uni-Orbital® connector extends to any position up to a 25mm radius, unlike traditional connectors that only move backwards and forwards. The setout range is from 60mm – 220mm with a recommended setout of 140mm. The cistern is back entry only with 1/2" B.S.P. inlet stop valve and inlet connection concealed within the cistern. Fitted with matched chrome plated metal push buttons and the Unifill inlet valve for ultra quiet fast fill as standard. Fitted with matched chrome plated metal push buttons and the Unifill inlet valve for ultra quiet fast fill as standard.

Pan: **Cube** 4.5 litre full flush box rim pan.

Traps: Universal trap for S or P-trap installations.

Cisterns: **Cube** cistern – has a free fitting lid and is suitable for domestic and light commercial applications. Available with internal, overflow. Standard back inlet. Cistern inlet stop valve and inlet connection is concealed within the cistern and is included. **Vandal Resistant Conversion Kit** – A simple to install conversion is available for the standard mechanism to lock lid onto the cistern, recommended for use in heavy use commercial areas. Code No.750109.

Important: Working pressure minimum 30kPa to maximum 1000kPa flow pressure. Rain water tank compliant. Accurate wall setout for B.S.P. 1/2" Nipple water inlet connection is essential.

Fixing: The cistern is fixed directly to the pan with a robust concealed base fixing system without the need for wall fixing.

Seats: The **Cube** soft close toilet seat is provided as standard with the Cube suite. A quality solid section compression moulded toilet seat. Fitted with buffers and metal hinges.

Colours: White only.

Installation: The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.

Dimensions: All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
