

New!

Power Flue Wall Furnace

Ideal for heating the living area or entertainment spaces of your home, the Braemar Ecostar Power Flue Wall Furnace (PWF) delivers comfort and warmth throughout the cooler months. A great replacement for existing wall furnaces, with an energy efficiency of up to 4.5 stars.

The PWF utilises a powered flue system - safely expelling combustion emissions outside, leaving you in cosy warm comfort inside.

Range

Braemar Ecostar Power Flue PWF30

The PWF30 is a functional and stylish replacement for existing wall furnaces and is able to heat up to 95m².*

Braemar Ecostar Power Flue PWF40 (commercial applications only)

The PWF40 will heat an approximate area of 80 - 120m²* and is recommended for light commercial or very large domestic applications such as halls and large rumpus rooms. It is not suitable for smaller domestic applications due to the higher heat and air flow rates.

Features

- Overheat safety switches
- Thermostatic temperature control
- Self diagnostic control system
- Cool-to-touch cabinet
- Pre-heat function
- Soft-air function
- Child lock
- Inbuilt and console models
- PWF30 - natural gas and propane
- PWF40 - natural gas only
- Multiple fan speeds
- Electronic ignition
- Electronic flame sensing
- Power flue
- Dual gas rate
- Boost setting for rapid heating

Safety

No emissions inside with ultra-safe power flued heating

Have it your way

Stylish design with flexible installation options

Option to heat two rooms

Installing your wall furnace on an internal wall? An optional rear register kit means an adjoining room can also be heated.

Quiet Operation

*Refer to page 2 for technical specifications.
