Braemar evaporative air conditioning
The perfect degree of comfort and energy efficiency
“Seeley International never stops striving to innovate and build the world’s most energy efficient heaters and air conditioners.

It is this commitment to excellence that’s at the heart of everything we do.”

Frank Seeley AM, DUniv, Fln, FAICD
Founder and Executive Chairman

Introducing the Black Magic™ MINI-CELL® CHILLCEL® Pads

Our revolutionary Black Magic™ Mini-Cell® Chillcel® pads have transformed the aesthetics of our coolers as they seamlessly blend into their surroundings; maintaining our global leading Mini-cell® Chillcel® pad technology, which increases surface area of the pads by 25%, dramatically multiplying cooling capacity and efficiency - BEYOND BELIEF!

*Patent pending.

The award winning company

Seeley International consistently wins awards each year for new product design, innovation and the environment. Recent awards include:
Absolute excellence in energy efficiency and comfort

**COST EFFECTIVE**
Up to 80% cheaper to run*
Save up to 80% on energy bills when compared to a reverse cycle air conditioner

**AUSTRALIAN MADE AND OWNED**
Manufactured by family owned Seeley International, Australia’s largest air conditioning manufacturer

**QUALITY**
NATA accredited test results substantiate superior product performance
Simple to install, maintain and operate

**LIFESTYLE**
Perfect for alfresco living, with options for security vents so you can leave doors and windows closed
Whisper quiet operation

**WARRANTY**
Quality that lasts – 7 year comprehensive warranty*
65 year history of Braemar excellence and reliability

**ENVIRONMENT**
Delivers fresh, outside air – not stale recycled air
Up to 80% less nasty CO₂ emissions*

---

*Refer to page 4. **The 7 year comprehensive warranty is available exclusively (i.e. only) from Seeley International participating dealers. The warranty has terms and conditions, including the requirement for servicing of the product in accordance with the owner’s manual in the fourth year the service must be performed by Seeley International or its appointed nominee. Refer to page 5.
Up to 80% cheaper to run

With Braemar inverter models – Evolution and SuperStealth®, you can save up to 80% on your energy bills when compared to a ducted reverse cycle air conditioner, that’s a saving of up to $250 per year!*

Running costs per year*

Compared to a ducted reverse cycle system

*Seeley International’s calculation based on approximate running costs figures from publicly sourced data. Comparison with 2-star not zoned ducted refrigerative system in a large size (220m²) 2-star pre 2005 house in a Melbourne climate, cooling all day on the weekend and in the morning and evenings when internal temperatures are high, and an electricity tariff of 31.9c/kWh. Water cost excluded.
Minimal water usage

Braemar evaporative air conditioning uses up to 83% less water over summer than a shower*

Responsible use of renewable resources

Reduce your carbon footprint

With Braemar inverter models – Evolution and SuperStealth®, you’ll reduce your impact on the environment by producing up to 80% less CO₂ emissions when compared to a ducted reverse cycle air conditioner.^

CO₂ Emissions (kg/Yr)^

Compared to a ducted reverse cycle system

*Water use calculations for shower are based on shower water use for 4 people, 10 mins per person per day at 9L/min, over three months, calculated at 32,400 L. Water use calculations for Braemar evaporative air conditioning over three months are 5,405 L.

^Seeley International’s calculation based on approximate running costs figures from publicly sourced data. Comparison with 2 star not zoned ducted refrigerative system in a large size (220m²) 2-star pre 2005 house in a Melbourne climate, cooling all day on the weekend and in the morning and evenings when internal temperatures are high.
MAGIQTOUCH® Controller

Touch screen technology
Smart, sophisticated and incredibly intuitive, your MagIQtouch® controller makes operating your Braemar so simple. Discreet and modern design will blend seamlessly into the decor of your home. Choose between standard, Wi-Fi enabled or wireless Radio Frequency MagIQtouch® controller options.

**MAGIQTOUCH® controller**
Can be Wi-Fi enabled for use with our smart app and smart home integration.

**MAGIQTOUCH® Radio Frequency controller**
Use the latest in Radio Frequency (RF) channel hopping technology with no need for wiring.

Main Features

**Program Mode**
Programmable 7 day, 4 time period program, customisable to suit your lifestyle (including a temporary over-ride function).

**Useful Settings**
Access features such as child lock, quiet mode and servicing information.

Optional Extra
**MAGIQTOUCH® AIR SENSOR**
MagIQtouch® Air Sensor monitors temperature and humidity levels. It allows you to mount your MagIQtouch® controller in the most convenient place in your home, as the MagIQtouch® Air Sensor will then take over temperature control from the MagIQtouch® controller. This can then be located in the best place in the house to ensure ultimate cooling comfort for everyone.
Control your cooling comfort needs directly from your mobile device! For example, turn on your cooler wherever you are, ensuring you come home to a cool home on those hot summer days. The smart app is free and available for download on your smartphone.

Available for download now on iOS and Android.

Control temperature and fan speeds with your voice through Amazon’s Alexa and your Google Assistant technologies. Voice commands are easy and simple to use, like “Alexa, turn on my Cooler” or “Hey Google, set the Cooler to 21 degrees”.

Requirements:
- Wi-Fi
- Google Account and a compatible device
- Requires Wi-Fi, Amazon Account and a compatible device.
Braemar ducted evaporative air conditioning

Features and benefits

Exceptional water distribution increases cooling effect

- This Australian designed, world patented, free flow, water distributor ensures constant, even pad saturation increasing the cooling effect and outperforming competitor products.

Breakthrough Black Magic™ MINI-CELL® CHILLCEL® pad technology

- The only evaporative cooling medium of its kind. Fully manufactured in Australia to address the harsh Australian climate. It’s an absolute out-performer!
- Exclusive small cell design provides cutting-edge cooling capacity.
- Maintains our global leading Mini-cell® Chillcel® pad technology, which increases surface area of the pads by 25%, dramatically multiplying cooling capacity and efficiency - BEYOND BELIEF!
- Black Magic™ MINI-CELL® CHILLCEL® pads deliver transformational aesthetics to your home enabling the unit to blend seamlessly into its surroundings.

Tornado® pump that won’t block

- Australian designed and manufactured
- Exceptional reliability in extreme conditions
- Dual directional – it can’t block!

AutoWinterseal™ reduces draughts and dust

- Automatic sealing system
- Reduces need for winter cover

Auto water draining keeps your system clean

- Empties the reservoir automatically when system is not in use, leaving it clean and dry
- Ensures the system is operating at maximum efficiency, while using the minimum amount of water
- Helps to avoid the seasonal maintenance* as required by some other similar products

*Seasonal maintenance does not replace regular maintenance of the unit as required for peak performance.

^Patent pending
Firewall ember screen (optional extra)
- Helps guard against ember attack in bushfires
- Made from non-combustible mesh
- Maximum aperture of 2mm
- Can be fitted to existing cooler pad frames
- Minimal reduction in air flow of 5%
- To meet the BAL rating, the cooler also requires a firewall auto seal installed
- Fitting both amber screen and auto seal to comply with BAL will reduce airflow by up to 15%

Stealth® fan is whisper quiet (Paradigm)
- Advanced aerodynamic design
- Super quiet in operation
- Produces a constant, cool, quiet, refreshing breeze

Totally enclosed tropic proof motor (Paradigm)
- Ensures long term performance and incredible reliability of your system
- Variable speed motor offers maximum control over your family’s comfort level all summer through

WaterManager™ saves water
- Uses the minimum amount of water to achieve high efficiency cooling
- Water quality monitoring to maximise water savings
- Keeps your system clean

Highly durable and non-corrosive cabinet and water reservoir
- High performance Permatuf® polymer construction will not corrode or rust
Braemar ducted evaporative air conditioning range

Evolution

The Braemar Evolution is the highest capacity sloped tank evaporative air conditioner on the market*...and one of the smallest. With its low profile, sleek design, it unobtrusively sits below the roof ridgeline to blend seamlessly into your home.

Looking for a combined cooling and heating solution?

Seeley International’s range of products also includes ducted gas heating that complements your evaporative air conditioning system. Take advantage of controlling your cooling and heating systems from the same controller – the innovative touch screen MagIQtouch® controller.

Ask your dealer for the right solution for your home.
Keep your home secure

Did you know you can cool your home without leaving your doors and windows open?

Ask your dealer about installing a cost effective and easy to install Security Relief Vent in your home, allowing you to run your evaporative air conditioner while you are out, with all your windows and doors safely closed and locked. Your home will stay cooler as cooled air is released into the roof space. When you return home, simply open up your windows and doors as normal, maintaining the fresh cool air throughout your home and open living areas.
Comprehensive warranty

For complete peace of mind, Braemar backs every one of its air conditioning systems with an industry leading comprehensive warranty program.

This includes a 7 year warranty* (with a compulsory chargeable service in the fourth year), 10 year cover on all structural components, plus a hefty 25 year cover against corrosion, on its Permatuf® cabinets.

Please refer to your home owner’s manual for all service and warranty terms and conditions.

Register your warranty and go into the draw to win $500 worth of prizes^

Prize includes 2 free services (up to the value of $400) and a $100 eftpos gift card

All you need is your home owners’ manual.

Visit seeleyinternational.com/warranty and follow the prompts.

Have your serial number ready.

^Terms and conditions apply. See braemar.com.au for more information, including the dates of the promotion

Braemar national service network

Seeley International has an established network of highly professional dealers and service agents throughout Australia. To book a service visit seeleyinternational.com/service or call 1300 650 444.

*The 7 year comprehensive warranty is available exclusively (i.e. only) from Seeley International participating dealers. The warranty has terms and conditions, including the requirement for servicing of the product in accordance with the owner’s manual. In the fourth year the service must be performed by Seeley International or its appointed nominees.
