Sacha

Sam

Frank

“We wanted a really modern look and we didn’t want to compromise on that. Plus we wanted a few little luxuries as well. This bathroom fits the way we live and feels like it was made for us. We’re really proud of what we’ve been able to create.”

“We moved in to our ‘forever home’ and we wanted to add a new bathroom that would look good for years. I had Posh in my bathroom growing up so I knew it was made to last. For us, the bathroom is a busy place so we need it to keep up with our family day in, day out.”

Silvana

“I recently downsized from a large family home to a smaller townhouse. With my grand daughter staying over often, I wanted to give the bathroom a refresh and so it felt warm and welcoming. Bristol was an easy choice. It's affordable and I know I'm getting quality.”

Canterbury

Canterbury combines the best of the old with the new. These classically designed bathroom pieces make it easy to achieve a heritage bathroom look while still offering all the quality and efficiency of modern bathroom products. Build on the history of your home with Canterbury.

“This is our first renovation project together. It’s a gorgeous little single fronted terrace with a lots of original heritage elements. We wanted to create a bathroom in keeping with the classic influences. It will eventually be a rental property, so we went with products that will be reliable for years.”
