

## Geberit DuoFresh Power Module

# INSTALLATION MANUAL

All electrical installation work needs to be carried out by a licenced electrician.

Published 28/07/2021

## Geberit DuoFresh Power Module

---

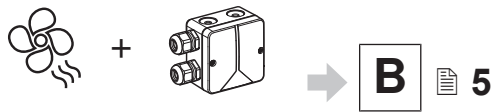

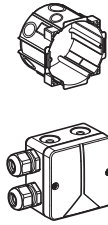

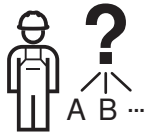

### **WARNING**

#### **Electric shock**

Incorrect installation can lead to death or serious injuries.

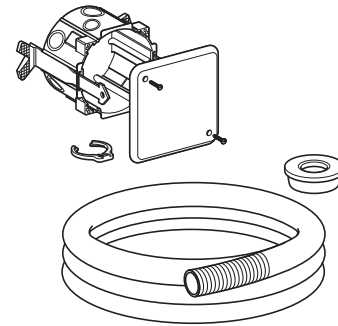

- ▶ Switch off all mains circuits before accessing the terminals.
- ▶ Install the unit with an all-pole disconnecting device with a contact opening that complies with the conditions of overvoltage category III for full disconnection.
- ▶ The unit should only be connected by an electrically skilled person.
