# posh

# Posh Solus Concealed S Trap & P Trap Pan

## Installation Instructions

| Important | The installation of this toilet pan shall be in line with the normal minimum requirements in AS/NZS 3500 |
|---|---|

1. Position pan onto pan connector and mark off position of pan fixing holes.
2. Remove pan and drill holes in position marked.
3. Apply flexible sealant to base of pan and carefully position pan onto pan connector and screw pan into pre-drilled holes using corrosion resistant screws (not supplied).
4. Remove excess sealant.

## Care Details

We recommend the use of soapy water or approved cleaners. This product should not be cleaned with abrasive materials. Damage caused by any improper treatment is not covered by the product warranty. Refer to Warranty Conditions

**Plumbers, please ensure a copy of the installation instruction is left with the end user for future reference.**
