CLEANING

- Please use water or neutral detergent to clean the surface of products, and then dry them with a soft towel.
- Do not use detergent containing scouring powder, polishing powder, or corrosive substances. Do not use a rough or abrasive material to clean the products.
- When using acidic (alkaline) detergents to clean the area adjacent to the product, take extra caution to prevent contact with the product surface as it may lead to damage.
- Any cleaning products used to maintain the surface finish must be used at the direction of manufacturer.

Dimensions are nominal measurements only.

Disclaimer: Products in this specification manual must by regulation be installed by licensed and registered trade people. The manufacturer/distributor reserves the right to vary specifications or delete models from their range without prior notification. Dimensions are nominal measurements only. Dimensions and set-outs listed are correct at time of publication however the manufacturer/distributor takes no responsibility for printing errors.
