WOLFEN™

Wolfen Soap Dispenser Stainless Steel

INSTALLATION

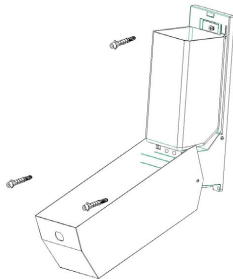

1. Place the mounting surface against the wall and mark out the mounting holes.

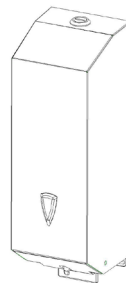

2. If installing to a thin or hollow wall surface, pre-drill holes in the wall to use the included wall anchors (skip to step 4 if installing to a timber backed surface).

3. Place the wall anchors into the drilled holes.

4. Drill holes into timber backed surface.

5. Push closed to lock the cover.

Plumbers, please ensure a copy of the installation instructions is left with the end user for future reference.
