Since its foundation in 1911, Franke's success has been based on innovative engineering, unique design, and outstanding Swiss quality. Franke Water Systems is the world's leading sanitary specialist offering a full solution for your public, semi-public and commercial washroom.

Innovative system solutions are the hallmark of Franke Water Systems. Future-oriented fittings and furnishing elements for washrooms and bathrooms are impressive in their quality, longevity, functionality and not least in their design.

SIMPLICITY

To keep the natural flow, we offer easy-care functionalities.

FUTURE THINKING

Our planet is important to us. That's why we develop sustainable ideas.

INVENTIVENESS

We are always looking for new and unusual solutions.

DESIGN

We place the highest demands on the design language of our products.

Our Franke commercial accessory range is designed to suit any public, semi-public and commercial washroom with a range of different options. Our products are made from the best 304 stainless steel with a consistent brushed satin finish. The products are anti-vandal with a standard Franke lock and key and offer a 5 year warranty.
