

Cabinet Coolers

Arlan Cabinet Coolers

Features

- Suitable for all the common HFC and HCFC refrigerants including R404A, R134a & R448A/R452A
- Corrosion protected blue fin coil coating
- Extended copper tails with clear labeling
- Simple switch electronic configuration
- Cleanable hygienic white ABS cover
- Pre-wired, balanced fan / fan motor.

ARDC Series – Dual Coil – Medium Temperature
