

MANHOLE COVERS & ENCASEMENTS

Civilcast Manhole Covers have a superior 4 point fixing system. They are used as access covers in a variety of civil project applications including stormwater, sewerage, gas and other utility access points.

-  PEDESTRIAN SAFE
-  LOCKABLE
-  GASTIGHT
-  BIKE SAFE
-  TRAFFICABLE

MANHOLE SEALING GREASE

Acts as a sealant to manhole covers.

- Waterproof
- Highly resistant to corrosion
- Unaffected by atmospheric conditions
- No harmful effects on steel cast iron and most other metals, rubbers and plastics.

ITEM#	ITEM DESCRIPTION	AS3996:2019 LOAD CLASS	TOTAL DIAMETER	CLEAR OPENING DIAMETER
