SOLUTIONS

OUR STRENGTH: KALDEWEI STEEL ENAMEL.

A UNIQUE MATERIAL WITH A 30 YEAR GUARANTEE.

The perfect material for perfect design has a name: KALDEWEI steel enamel. Steel and glass - two entirely authentic and natural materials, used for centuries, and each with it's own inherent material properties.

Steel signifies strength, toughness, robustness and optimum ductility. Glass is highly resistant to chemical and thermal stress and has an excellent appearance. KALDEWEI steel enamel combines robust steel and tough glass to form

an inseperable bond harnessing the strengths of each material in perfect symbiosis. As a pioneer consistently pushing the boundaries to make the good even better, KALDEWEI has been steadily developing, refining and optimising the special formula and manufacturing processes of KALDEWEI steel enamel for a century now.

KALDEWEI steel enamel guarantees lasting quality that remains visible, tangible and treasured day after day.

DIMENSIONALLY STABLE

Temperature fluctuations will not affect KALDEWEI steel enamel, thereby minimising the risk of cracked joints or damage from moisture penetration.

SCRATCH AND IMPACT RESISTANT

KALDEWEI steel enamel is much harder than acrylic and highly resistant to mechanical stress.

CHEMICAL RESISTANT

Perfume, bath additives or common household detergents will not harm the surface.

HEAT RESISTANT

Burning and smouldering objects do not leave marks on the surface.

UV RESISTANT

Our KALDEWEI steel enamel retains its original colour without fading or yellowing.

EASY TO CLEAN AND HYGIENIC

The glass-hard surface is hygienic and easy to clean.

100 % SUSTAINABLE

The natural materials we use in our environmentally compatible manufacturing process can be fully recycled.

PERFECTION CANNOT BE IMPROVED. BUT IT CAN BE EXTENDED.

The range of KALDEWEI baths selected for you by Reece consists of two design collections and ten models that will suit different needs and installation requirements and still enable you to enjoy the ultimate in luxury bathing that you find in five star hotels.

PURO

BATH

DESIGN

KALDEWEI Design. One of the basic principles of modern architecture and interior design is reducing all elements to their core. The clean and unpretentious design of PURO also follows this approach. As a one-person bathtub it fulfils the desire for a high-quality yet affordable design. The PURO has a particularly generous length for extraordinary high levels of bathing luxury.

PURO (Model No. 683) in Alpine White

MODEL	WASTE OPTION	MODEL NO.	LENGTH (cm)	WIDTH (cm)	DEPTH (cm)	VOLUME (litre*)	WEIGHT (kg**)
PURO	OVERFLOW ⁺	683-06	160	70	42	105	46

DESIGN

KALDEWEI Design. The clear and purist design of the PURO DUO is a rectangular bathtub distinguished by its clear lines. The inside of the PURO DUO is especially long to offer exceptional bathing comfort.

PURO DUO (Model No. 664) in Alpine White

MODEL	WASTE OPTION	MODEL NO.	LENGTH (cm)	WIDTH (cm)	DEPTH (cm)	VOLUME (litre*)	WEIGHT (kg**)
PURO DUO	OVERFLOW ⁺	663-06	170	75	42	122	48

THE HYDROTHERAPY SYSTEMS

MULTIPOINT

Your unique Multipoint System is designed to massage your body. It helps relieve tension, melting away stress and assisting in the process of renewing cells which are damaged or strained during work, exercise, sport or through conditions associated with ageing.

Multipoint Hydrotherapy Systems are designed to ensure the specific massage effects of the uniquely designed Multipoint jets effectively target the body's trigger points to promote a sense of well-being and relaxation.

MASSAGE PLUS JET (spiralling flow)

The jets spiral a powerful water flow to provide a sensuous kneading of the back and shoulders, relieving muscle tension and allowing the body's central framework to relax.

TONING JET (wide powerful flow)

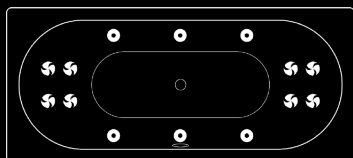

Toning jets give a vigorous massage for areas such as hips, thighs and calves. These are especially beneficial in the treatment of painful or injured muscles, as a warm-up prior to exercise, or as a general skin and muscle toning aid.

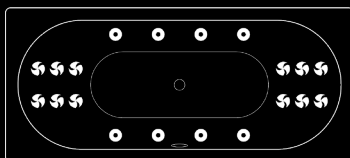

REFLEXOLOGY JET (precise gentle flow)

Reflexology jets are essential in treatment of localised pain, including headaches, muscle injuries and strains.

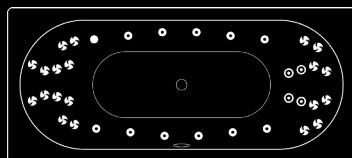

RX HYDROTHERAPY SYSTEMS

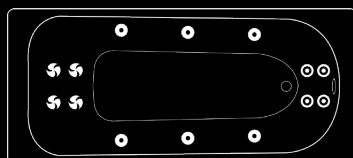

14 JETS (for double-ended baths)
To suit models: 663, 664, 665

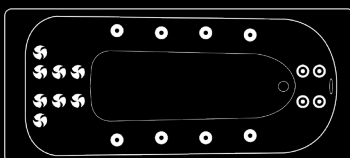

20 JETS (for double-ended baths)
To suit models: 663, 664, 665

THE BATH AUDIO SYSTEM

With the new SOUND WAVE, KALDEWEI offers an innovative bathroom audio system. The SOUND WAVE components, including the Bluetooth® receiver, are concealed in the bath. This acts as an excellent sound box and provides pleasant accoustics of the highest quality.

SOUND WAVE can wirelessly play audio files from your smartphone, computer, tablet or any other Bluetooth®

enabled device. Experience the extraordinary sound under water and escape from every day life.

Bluetooth® radio technology enables wireless connections to compatible devices. Bluetooth® does not require line of sight between the SOUND WAVE and the other device.

KALDEWEI EXPERIENCE / ADDITIONAL OPTIONS

OVERFLOW AND WASTE

A watermark approved pop-up waste and overflow unit is supplied as a standard inclusion with the PURO and PURO DUO baths. Also available in WHITE.

MULTIFILLER AND OVERFLOW

The watermarked Multifiller is integrated with the overflow and pop-up waste and acts as an internal bathfiller which eliminates the need to install a bath spout. Also available in WHITE.

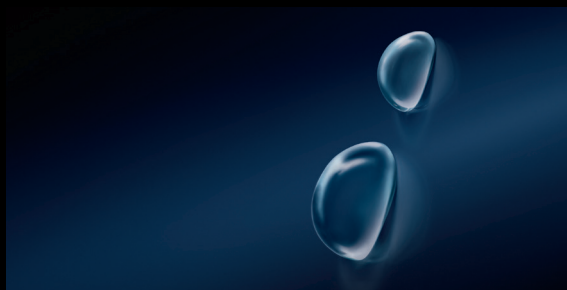

EXAFILL BATH FILLER

The bath filler and overflow from Hansgrohe has an ultra flat surface, backflow preventer, integrated flood jet and QuickClean function. It is a simple and economical solution to filling the bathtub.

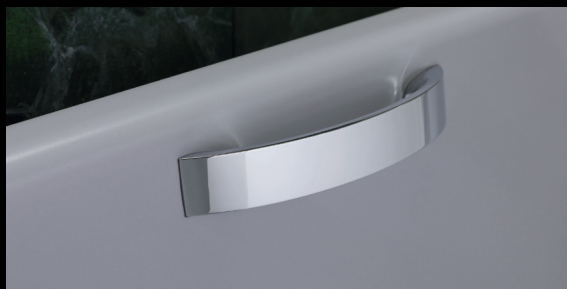

EASY CLEAN

With the optional easy-clean finish from KALDEWEI, water simply runs off the bath, taking almost all dirt and lime particles with it. Even dried on watermarks and limescale residue can be removed easily. And because stringent cleaners are not needed - just a soft, damp cloth, the easy-clean finish has a positive effect on the environment too.

SAFELY IN, SAFELY OUT

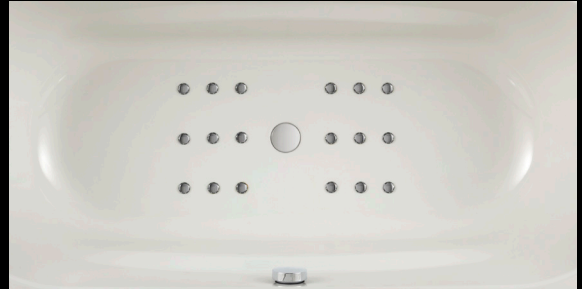

If you wish to combine aesthetics with a high level of safety, you can have your bath fitted with a KALDEWEI handle. The PURO and PURO DUO each have a handle designed to suit. Available with one or two handles. The grip and drilling for the grip are sold separately.

KALDEWEI EXPERIENCE / ADDITIONAL OPTIONS

AIR SPA

The BATHE Air Spa is a stimulating experience created by thousands of air bubbles stroking the skin as they rise to the surface. An Air Spa may be chosen in addition to your Hydrotherapy System as a 'Dual System'.

ANTI-SLIP OR FULL ANTI-SLIP

Full or partial Anti-slip is a textured surface made of a mixture of quartz and sand burnt permanently onto the surface of KALDEWEI Steel Enamel. The Anti-slip and Full Anti-slip enamel surfaces are perfectly matched to the shape of KALDEWEI baths. Only available on special order from factory.

MULTIFUNCTIONAL CUSHION SET

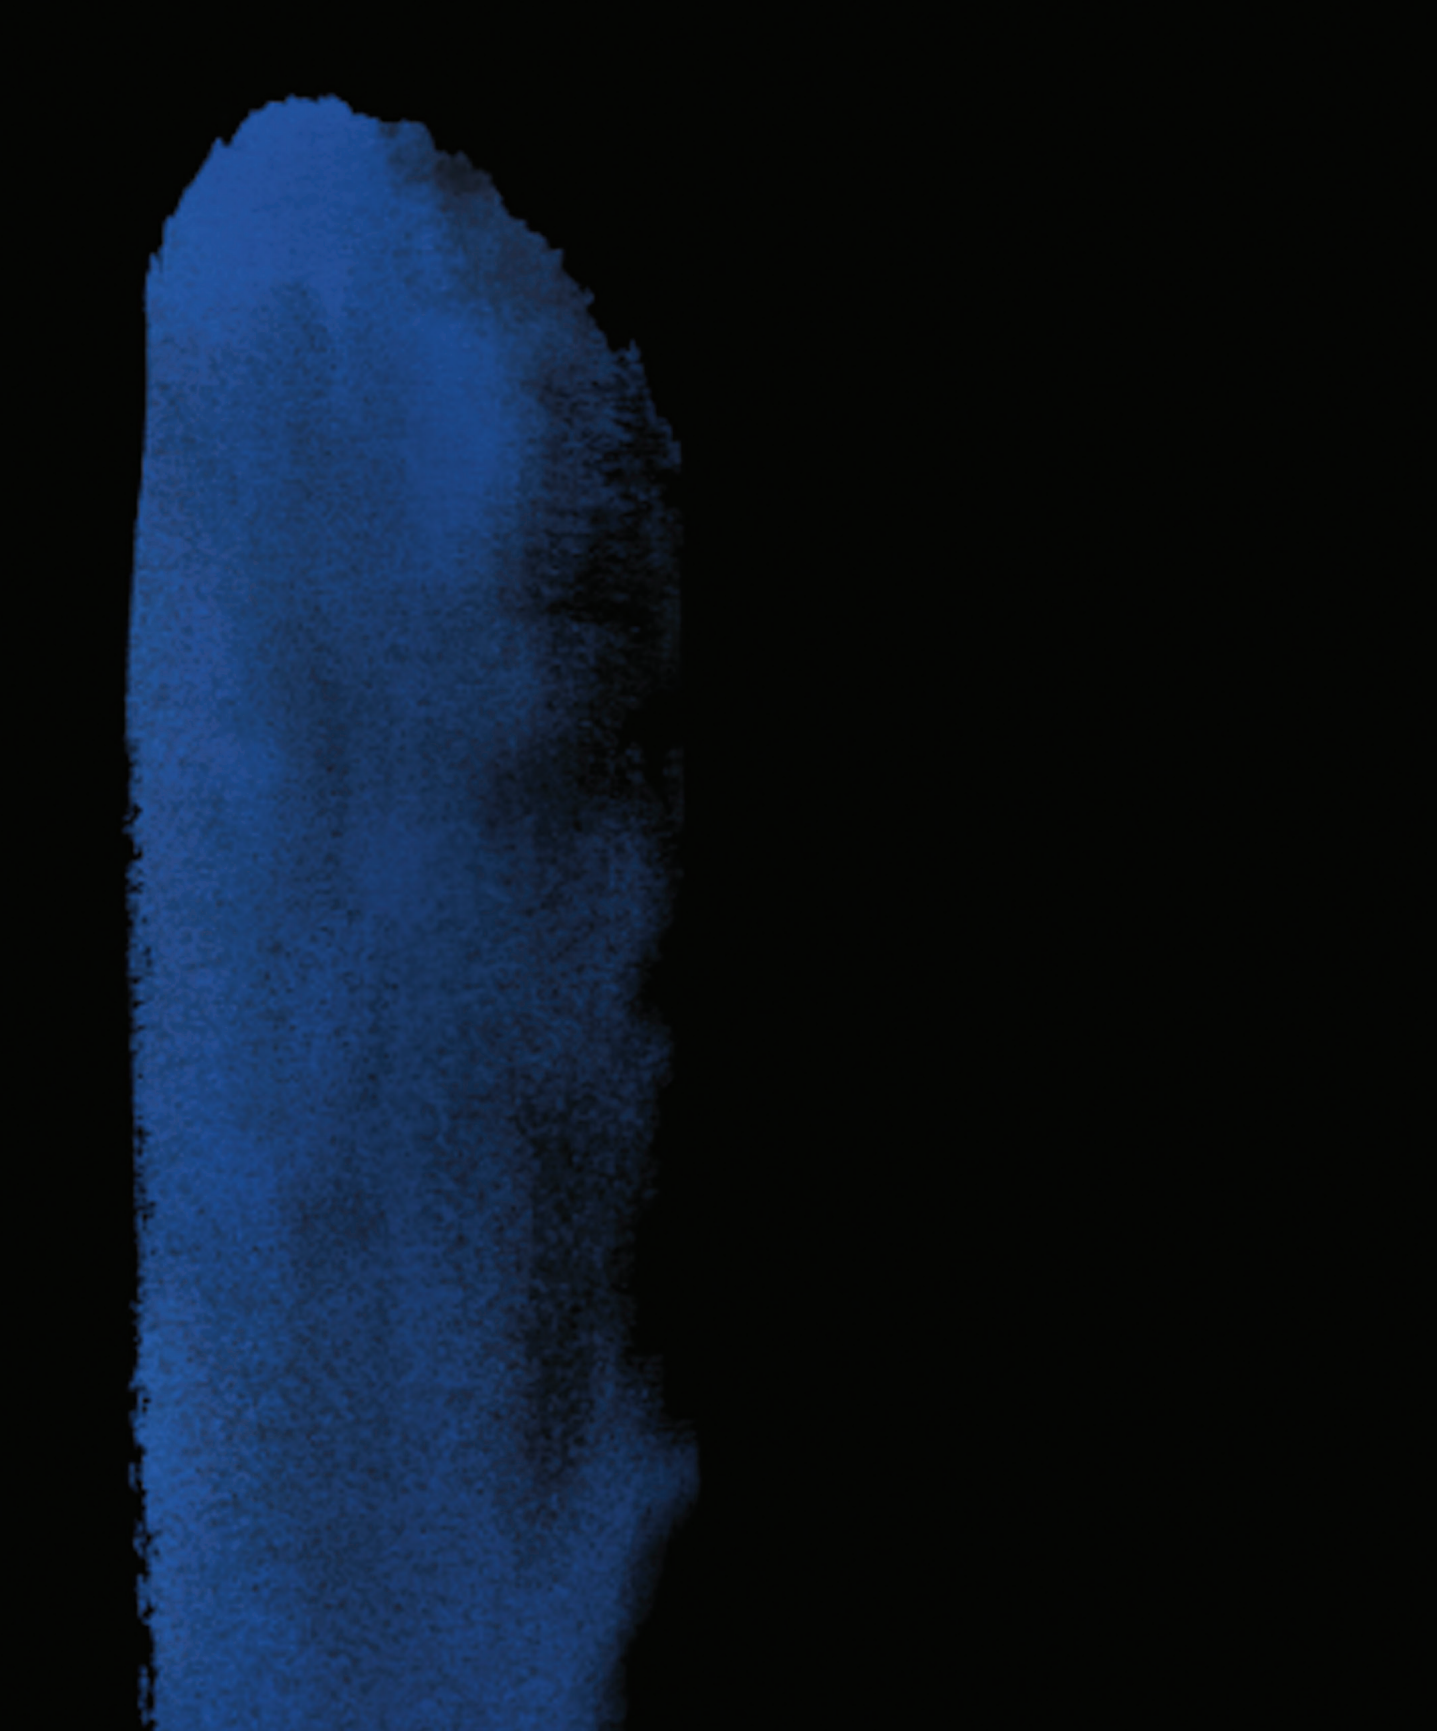

The KALDEWEI Multifunctional set of two cushions add even more comfort to your relaxing bath, offering you different options; as a foot rest or placed below the thighs, they keep you from sliding downward in larger baths. As a neck rest or placed at the side of the tub, they give you a place to rest your arms. Available in White or Grey.

BATH PILLOW

The KALDEWEI bath pillow brings another level of comfort to the bath. Its flexibility and soft material adapt perfectly to any shape of neck and bathtub. Its volume can be regulated with an air valve. The skin-friendly fabric cover feels delightfully soft and is machine washable. A generous 50 x 30cm, the cushion also supports the shoulder area and allows a variety of head positions.

Bathroom Happiness™

Visit any one of our 450 showrooms around Australia for all the latest products, concepts and inspiration to make your bathroom whatever you want it to be. And for the ultimate bathroom experience, go to one of our new bathroom life™ stores where you will find the biggest range of leading Australian and international brands.

Due to limitation in the printing process the colours in this brochure are a guide only. The manufacturer/distributor reserves the right to vary specification or delete models from their range without prior notification. Kaldewei baths enjoy a 30 year warranty for defects arising from design and manufacturing faults for which the manufacturer is responsible and a one year parts and labour warranty - domestic use only. See www.reece.com.au/warranties for more information.

This guarantee shall not apply if the bath is modified or fitted with non-Kaldewei accessories, or if Kaldewei accessories are not fitted by qualified persons. Waste fittings, overflows, exafills and Multipoint systems are excluded from this warranty.
