

Geberit HDPE electrofusion coupling with integrated thermal fuse

Example image

CHARACTERISTICS

- With integrated thermal fuse
- Can be welded with ESG-T2 starter switch
- Can be welded with ESG 3 electrofusion tool
- Heat-insulated
- UV-resistant

TECHNICAL DATA

Installation temperature	-10 – +40 °C
Product material	PE-HD

Art. no.	Reece no.	DN	d, ø mm	D cm	E cm	H cm
