

Why choose a Kaden Window AC?

Specifically designed for the Australian climate, the Kaden Window Air Conditioner offers a simple climate solution which provides comfort to you during harsh summers and chilly winters alike.

- > **Wi-Fi enabled** - Easily control your Kaden unit from your smartphone wherever you are.
- > **Increased efficiency** - New R32 refrigerant reduces energy consumption and is less harmful to the environment.
- > **Enhanced durability** - Anti-corrosive Blue Fin technology keeps your unit protected in tough conditions.
- > **Healthy home** - Advanced silver ion filter reduces and breaks down harmful bacteria and contaminants in the air, keeping your home safe and healthy.
- > **Wireless remote** - With a classic design and large, clear LCD display, the Kaden wireless remote is optimised for ease of use.
- > **Sizes available** - 2.7kW, 3.9kW, 5.3kW, 6.0kW
