PRODUCT GUIDE

TAP & CISTERN SPARES

PERFORMA INTRODUCTION

The Performa range is designed to provide a straightforward solution for just about any leak or drip situation. The range includes high quality spare parts for toilets and tapware as well as associated accessories including cistern outlet valves. Each Performa product has been specifically developed to make it easier for you to identify the required item for a particular task.

To aid this process, all Performa packaging features detailed installation instructions and handy hints that make fitting as simple as possible. This guide will help you identify the appropriate Performa products for the job at hand.
