

Bathroom Furniture

ENHANCE YOUR EVERY DAY

An overriding belief that good design should enhance everyday living and that aesthetics should never be at the expense of function lies at the heart of CIBO's collection of bathroomware.

The goal is an integrated approach to bathroom design with a focus always on the finished room in its entirety, not just a single element.

CIBO aims to simplify the bathroom design process so the end result realises your vision. With more flexibility in size and finish. More options for customisation. More clever storage. And more efficient design.

The result? A bathroom perfectly suited to the needs of the individual; that transforms everyday life; and that is ultimately a beautiful and comfortable retreat.

REECE PRODUCT QUALITY GUARANTEE

CIBO bathroom furniture enjoys a 7 year product replacement warranty. CIBO mirrors enjoy a 12 month product replacement warranty.
