# GRAB RAILS WITH GERM SHIELD

ASI JD MacDonald offer a range of grab rails that include Germ Shield; a specially engineered design that includes both an internal and external rubber seal for added hygienic protection.

Germ Shield is designed to provide an additional barrier to help prevent build-up under the flange of soap scum, body fluids and other unwanted bacteria creating fluids.

## WHAT MAKES GRAB RAILS WITH GERM SHIELD UNIQUE?

**304  
STAINLESS  
STEEL**

**HYGENIC**

**EASY  
TO INSTALL**

### STAINLESS STEEL CONSTRUCTION

Made of high quality 304 stainless steel which is tough, durable, stain resistant and easy to clean.

### HYGENIC

Protective rubber seals prevent the build-up of unwanted and unhygienic bacteria behind the flange.

### EASY INSTALLATION

Simply unscrew the Flange Cover and use the Flange as a guide to mark the wall surface and sit the External Rubber Seal on the Flange and fit to the wall using the guide marks.

### COMPLIANT

Suitable for use in Accessible Compliant washrooms in accordance with AS1428.1-2009.

## GRAB RAILS WITH GERM SHIELD FEATURES

- Easy to use
- Sanitary, safe and strong
- Easy to clean
- Durable

# BACK RESTS

## FOR NEW AND EXISTING ACCESSIBLE TOILETS

Made specifically for use within accessible toilets, the ASI JD MacDonald Back Rest is accessible compliant and designed for people who require extra assistance.

Australian made and AS1428.1-2009 compliant, the ergonomically designed modular back rest is available with either a polyurethane padded waterproofed back or the vandal proof satin stainless steel back.

### WHAT MAKES OUR BACK RESTS UNIQUE?

**SAFE &  
SECURE**

Suitable for  
**Exposed** or  
**Concealed**  
Cisterns

**AS1428.1-2009**  
**COMPLIANT**

#### DESIGN FEATURES

Designed for safety, security and convenience for those who require special assistance, the ASI JD MacDonald Back Rest is manufactured from 304 grade stainless steel, providing maximum strength and user confidence.

#### ADAPTABLE

The ASI JD MacDonald Back Rest range is adaptable to different cisterns and is designed in two varying shapes which are cut to size on site to ensure a perfect fit every time. Grab Rail Combination Kits (for use with exposed cisterns) easily connect to the Dropped Arm Back Rest design giving an appealing aesthetic with less unsightly flanges crowding your walls. Also available is the ASI JD MacDonald Straight Arm Back Rest to suit concealed cisterns.

#### COMPLIANT

Tested to comply with AS1428.1-2009 and comes with a 12 month warranty.

#### BACK RESTS FEATURES

- Ergonomically designed
- Options available for vandal prone areas
- Durable
- Easy to clean

## TOILET ASSIST BACK RESTS

### PBR35 POLYURETHANE STRAIGHT ARM BACK REST

The ASI JD MacDonald Straight Arm Back Rest is ideal for use in accessible toilets where grab rails are required for use with concealed cisterns. Ergonomically designed, the polyurethane padded back rest is waterproof, fully welded and finished in a 304 grade satin stainless steel. This unit is designed to give maximum strength and confidence.

#### MODEL OPTION:

**PBR35SS** Similar to PBR35 but with welded satin stainless steel back rest for use in high vandal prone areas within accessible toilets.

### PBR35A POLYURETHANE DROPPED ARM BACK REST

For use in fully refurbished or new accessible toilets and used in conjunction with the grab rail attachments displayed below. Minimises the clutter of unsightly flanges surrounding the grab rails by using a modular connected system which meets Australian Standards. This unit is designed to give maximum strength and user confidence for use with exposed cisterns.

#### MODEL OPTION:

**PBR35ASS** Similar to PBR35A but with welded satin stainless steel back rest for use in high vandal prone areas within accessible toilets.

### GRE07 (LH or RH) GRAB RAIL 90 DEGREES

Used in conjunction with the ASI JD MacDonald Dropped Arm Back Rest for exposed cisterns. Fully welded construction in a 304 grade satin stainless steel finish, AS1428.1-2009 compliant, designed for safety and security. Easy to install. Requires a nominated handing of left (LH) or right (RH).

**Overall Size:**  
600 mm x 1050 mm

### GRE08 (LH or RH) GRAB RAIL 40 DEGREES

Used in conjunction with the ASI JD MacDonald Dropped Arm Back Rest for exposed cisterns. Fully welded construction in a 304 grade satin stainless steel finish, AS1428.1-2009 compliant, designed for safety and security. Easy to install. Requires a nominated handing of left (LH) or right (RH).

**Overall Size:**  
700 mm x 950 mm

### GRE300 GRAB RAIL STRAIGHT

Used in conjunction with the ASI JD MacDonald Dropped Arm Back Rest for exposed cisterns. Fully welded construction in a 304 grade satin stainless steel finish, AS1428.1-2009 compliant, designed for safety and security. Easy to install.

## **Welcome to ASI JD MACDONALD: where innovation, speed and reliability provide peace of mind**

JD MacDonald expanded into Washroom Accessories in 1959 - since then we have developed a following among Building Owners, Architects and Construction Professionals who count on us because we consistently deliver on a promise of quality, value, impeccable customer service and choice.

In 2013 JD MacDonald was acquired by the ASI Group and as the newly founded ASI JD MacDonald, we continue to provide more choices in hand dryers, paper towel dispensers, waste bins, combination units, grab rails, baby changing stations, soap dispensers, toilet paper dispensers and much more. Since then, we've expanded into toilet partitions, offering options in both structural and compact laminate. In addition we also offer a range of waste management products including garbage chutes, linen chutes and rotobins.

### **ASI GROUP**

Privately owned and operated since inception the ASI Group now has operating units and offices in the US, Canada, Australia, Belgium, UK, Middle East and China, with sales in over 50 countries.

For over 50 years our companies have been known for innovative products and the widest choice in product and material for Washroom Accessories, Toilet Partitions, Lockers and other storage devices. Our nimble management philosophy allows us to deliver more products in 48 hours than anyone else in our industry and our flexibility allows us to create unique products to suit specific needs.

You will find one common thread that ties our family of companies together - a singular focus on our customer. That focus is captured in our mission statement: "***To make our customers successful by providing a value greater than price and an excellent service experience.***" [www.asigroup.us](http://www.asigroup.us)

**OUR GLOBAL REACH:** Allow our experienced architectural team to help you deliver on your promise of excellence as they have delivered on some of the most prestigious projects worldwide:

**Corporate World HQ:** Apple Corp., Coca Cola Corp., Facebook, Goldman Sachs (US)
