## WHY CHOOSE PHOENIX?

Our founding principle is to develop new products of outstanding quality and originality.

Founded on the principles of design, quality and customer service, Phoenix has been producing tapware, showers and accessories since 1989. Our Design Team's expertise in style, innovation and first-class engineering, have established our prominent position in the Australian bathroom industry.

We offer tailored design solutions and bespoke manufacturing services to customers nationally.

Phoenix's sales staff and agents cover all metro and country areas of Australia and we pride ourselves on the service they and our customer service centre provide. We distribute nationally from our Victorian warehouse with satellite warehouses in Adelaide and Perth.

We have been trading in the tapware industry for 29 years. We put these years of knowledge and experience into the development of each Phoenix product to ensure we maintain the trust we have gained from customers since 1989.

'Australian design for Australian bathrooms'. Our collections are designed in Australia by our in-house design team, giving us the ability to manage and control the design, quality and performance of our products and respond quickly to market trends.

We have been internationally recognised for our innovative design with four iF Design awards, three Red Dot awards and two Good Design awards. This is a great accomplishment for our design team, who's hard work has been deservingly rewarded by such esteemed design forums.

A large range of our products have been awarded a 6 star WELS rating for water efficiency, to help Australian households conserve water and reduce water and energy bills.

Phoenix products are certified to meet Watermark regulations, confirming our products comply with the Plumbing Code of Australia and the relevant Australian

Phoenix tapware, bath outlets and accessories enjoy a 7 year product replacement warranty, a 15 year cartridge and shower warranty and a l year parts and labour warranty - Domestic use only. Phoenix heated towel rails enjoy a 3 year product replacement warranty - Domestic use only.

## DESIGN

Our relentless focus on design and innovation ensures customers will always enjoy the best bathroom experience.

An in-house design team gives us the ability to manage and control the design, quality and performance of our products and respond quickly to market trends. As a collective, our design team has over 100 years of experience in the design industry and have been recognised for their outstanding achievements throughout this time, with four iF Product Design awards, three Red Dot awards and two Good Design awards.

# PRISTINE

The Pristine 2-in-I Filtered Water Sink Mixer cleverly combines filtered tap water with a superbly styled sink mixer, designed to deliver drinking water which is safe, clean, clear and odourless. Pristine delivers both filtered and unfiltered water through two different lever handles, giving you the flexibility to select what water you use and when you use it.

With an advanced filter system that is hidden out of sight, the Pristine uses a dual cartridge filter system to deliver the cleanest, most pure water for consumption.

#### 2-IN-I FILTERED WATER SINK MIXER

5 Star - 6lt/min Available with or without complete water filter kit
