

Posh Solus Wall Sink Outlet 200mm (4 Star)

Important Note

Outlets must be installed to the requirements of AS/NZS 3500 by a qualified plumber. Please ensure all pipework is thoroughly flushed out prior to installation.

INSTALLATION INSTRUCTIONS - WALL MOUNTED

- A) Ensure adequate threaded nipple is exposed
- B) Cut to length to suit spout
- C) Apply thread tape
- D) Screw on outlet (in tight spaces the need to dismantle the spout from the body may be needed)
- E) Do not over tighten
