- Concealed fixings
- Unique blockage resistant trap
- Safety radius front edges
- Left and right access panels
- Free of ligature points
- Option for permanently sealed access panels (maximum Suits detention facilities and public amenities)

about

The *BRITEX Centurion Ambulant Toilet Pan* is fully shrouded and manufactured from heavy gauge grade 304 satin S.S. making it easy to clean and providing optimal strength. It is designed to conform to Australian Standard, Design for Access and Mobility - AS1428, with respect to ambulant users. Incorporating radius edges for added safety, a pressed internal bowl and unique trap design, the Centurion Ambulant pan is extremely water efficient (4.5/3 litre) and much less susceptible to costly blockages in public amenities. Access panels come standard on both sides of the pan for easy installation and a toilet seat can be fitted if required. WaterMark and WELS certified as required by plumbing regulations and government legislation.

sample spec. text
