

# Enware-Oras Cubista Shower Mixer

Cubista has an ultra-modern yet timeless, understated design that is easy to use and manufactured to the highest quality. The Cubista range suits all upmarket home, hotel and business environments.

The SLM808 recess mixer has a concealing wall plate that covers and provides easy access to the operating cartridge. The recess mixer components come complete within a self contained plastic housing that is easy to install and reduces the risk of water leaks within the wall cavity.

Fully serviceable, with range of spare parts for an even longer life.
